

All,

Following the results of round 1, the Competitions Committee revisited the grading of Ladies teams.

Because of some extraordinary results it was felt by the committee that Wests (temporarily marked as Wests 2 in the current draw) and Ingleburn-Knights should be moved up to A Grade forming A/B Grade, while the remaining 6 teams will be C Grade.

The new A/B Grade will hopefully give other teams that were previously graded as A grade, and the teams moved up a more competitive competition.

This is not an outcome that some are happy with but it was felt it would be best for all involved - Players in a team that goes through the season undefeated (possibly with high scores) would no more enjoy their season than players continually being beaten by high scores.

The changes to the draw for this weekend have been relatively minor:

Saturday 12 April

2:55pm	Green	Ladies A Grade	Ingleburn-Knights v Collegians (Game has Changed)
--------	-------	----------------	---

Sunday 13 April

11:20am	Green	Ladies A Grade	Wests 2 v Wests 1 (Game has Changed)
---------	-------	----------------	--------------------------------------

Also East have been forced to withdraw their Under 11 Team and Ingleburn who previously had a by will now be playing that match.

Saturday 12 April

9:30am	Green	Under 11 Junior	Ingleburn Bulldogs v Harrington Park 1 (Game has Changed)
--------	-------	-----------------	---

Also following is the Draw for round 3:

(No Junior Matches due to school holidays)

Ingleburn has Canteen for the weekend
